Journal - Office of Legislative Counsel
Wednesday - 12 April 1967

25X1 5. [] JSW) Messrs. Michaels and Woodruff visited the Agency for a half hour briefing on Soviet military equipment available to the U.S. Government including photographs and technical manuals. Bruce Clarke discussed this explaining types of activities, how the coordination within Government is handled and we were able to define a brief memorandum which Mr. Clarke will prepare for Mr. Michaels. We also dealt with Mr. Michaels' query on work being done by the Applied Physics Laboratory on the [] This was done in accord with the memorandum of 10 April 1967 from DD/S&T.

25X1 Mr. Michaels and Mr. Woodruff met with Colonel White, John Clarke, [] and John S. Warner to get a review of the 1968 budget. This lasted for 2 1/2 hours. Colonel White and Mr. Clarke have prepared more detailed memoranda of the discussion. Both Michaels and Woodruff would like to have made available to them in their offices for study, the budget book and other sheets made available during the briefing.

25X1 Also, both Michaels and Woodruff would like some assistance from us on the Fascell and similar bills so that they, in turn, can assist their principals. It was agreed there should be a follow-up briefing in the near future specifically related to the Rusk Task Force.

25X1 6. [] JSW) George Berdes, in the office of Representative Clement Zablocki, stated he had lunch at the Soviet Embassy yesterday and had written a memorandum of the topics covered. Mr. Zablocki had thought the Agency would be interested in certain parts of this. I agreed to stop by and pick it up but missed Mr. Berdes, so I will try to catch tomorrow.

25X1 25X1 7. [] JSW) Met with Senator Milton Young to discuss the letter to him from [] I gave him the general background of the situation in accord with the memorandum from SR dated 11 April 1967. He did not wish to go into any depth but once he learned the situation, we both agreed that probably the better course was not to respond to [] letter. 25X1

25X1 Senator Young also discussed the letter to him from [] He requested I give him a little assistance on certain points. I stated I would be happy to do this. 25X1

25X1 8. [] GLC) Talked with [] about the inquiry from Representative Dante Fascell [] said their office had information on [] anti-fatigue device and would provide us with a paper on this tomorrow. 25X1 25X1
